<u>WHITE EXPECTANCY</u>	
GB2002	(Justis Pearl x Fresh Charisma)” Guru” x Kulnura Cherish “One” – Expect beautiful non staining crystal whites with show shape. Mid to late season.
GB2002	
GB2004	Fresh Charisma “Freshen” x [Justis Pearl x (Winter Alvin x Joanstar) “Ab Fab”) “Pixie” - Compact growing whites for late season. Expect blush to concolour lips.
GB2004	
GB2005	Joanstar “Sensuous” x Fresh Charisma “Freshen” – Expect beautiful pink blush lips. Late season, tall stems. Both have produced superior progeny, “Freshen” especially.
GB2005	

Bryants Orchids 2020 -2021 Cymbidium Seedling Flask List

<u>Pink & Red Expectancy</u>	
GB2006	Yowie Progress “Epiphany” x Mem. Joan Bryant “Harmony” - looking for soft, pastel pinks. Early season and compact growing content as well as good shape.
GB2006	
GB2008	Barry Baker “Miley” x Joanstar “Sensuous” - range of pink shades with pink to red edged lips. Mid to late season flowering.
GB2008	
GB2009	[Blazing Fury x (Dream Temple x Trinity Gold)] “Vader” x Regal Fury “Galaxy” – expect a range of colours including reds & browns to oranges. Dark red lips.
GB2009	
GB2010	Regal Flames “Queen of Hearts” x Joanstar “Sensuous” – both have been good parents. Mainly pinks with a range of labellum colour from mid to late season.
GB2010	

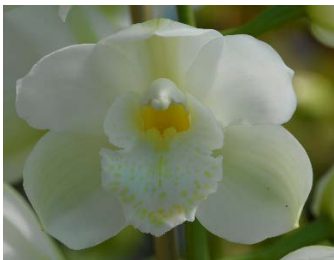

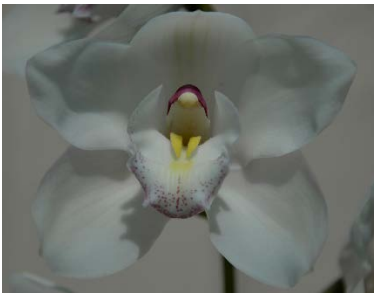

Bryants Orchids 2020 -2021 Cymbidium Seedling Flask List

	<u>Predominantly Gold/ Orange/Yellow Expectancy</u>	
GB2011	(Purely Dreaming x Lunar Advent) “Dawn” x Pure Origins “Spark” – early to mid season yellows and golds. Both alba carriers so small percentage of albas.	
GB2011		
GB2012	[Blazing Fury x (Dream Temple x Trinity Gold)] “Vader” x Coraki Glowing “Kentlyn” - Expect stunning shape and gold to orange colours with contrasting dark red lips	
GB2012		
GB2014	Mem. Amelia Earhart “Royale” x [(Dream Temple x Trinity Gold) x Harbour City] “Marjorine” – Expect intermediate to small standard size golds with red lips.	
GB2014		
GB2015	Mem. Amelia Earhart “Royale” x [Blazing Fury x (Dream Temple x Trinity Gold)] “Vader” – intermediate sized golds & oranges, stunning lips.	
GB2015		

Bryants Orchids 2020 -2021 Cymbidium Seedling Flask List

Greens	
GB2018	(Green Elation x Paradise Island) "Heather" x (Paradise Island x Kimberley Meadows) "Pasture" – Chasing clean shapely greens with contrasting red lips.
GB2018	
GB2019	Wonder Island "Gee Bee" x Green Connie "Agave" – compact growing plants with shapely, non-staining late season green flowers. Labellum markings will vary.
GB2019	
GB2020	Green Opal "Vic" x Wonder Island "Gee Bee" – pretty clear greens with pink edged lips flowering in mid to late season. Compact growing.
GB2020	
GB2021	Kimberley Valley "Green Sensation" x Wonder Island "Gee Bee" – Shape and colour should both be good with a mix of lip colours and markings. Mainly mid season.
GB2021	

Bryants Orchids 2020 -2021 Cymbidium Seedling Flask List

	<u>Pure Colours/ Albas</u>	
GB2022	(Purely Dreaming x Ultimate Ray) "LOL" x Devon Snow "Sonnet" – Beautiful early to mid-season white albas with potential of little yellow in the lips.	
GB2022		
GB2023	Devon Snow "Sonnet" x Ocean "TP" – Mainly whites, possibly some ice green albas. The progeny from Ocean "TP" we saw this year were impressive and good.	
GB2023		
GB2024	(Purely Dreaming x Ultimate Ray) "Sorbet" x Devon Snow "Drift" – large whites, lemons and creams with big lips expected early in the season.	
GB2024		
GB2025	(Fresh Charisma x Loch Watten) "Hera" x Devon Snow "Sonnet" – late season whites. Around 25% will be albas, rest will be normal coloured.	
GB2025		

Bryants Orchids 2020 -2021 Cymbidium Seedling Flask List
